claimed by him The appeal was referred To the Dy Commissioner and that officer has submitted the record of enquiry together with his detailed report which gives a clear account of the facts of the case

From the records it is observed that on the 3rd September 1906, a license application was made by Patel Swaminaje Gowda of Halebid to the Hon'ble Dy Commr praying for permission To the use of Palaki, Chatra and other insignia by the Swamy of Balkuncke matt during his visit to certain Villages in Chikmagalur Taluk. Mention is made in this application of a Sannad of the year 1825 and an order regarding better persons, but neither the originals nor copies thereof are forthcoming in the records. On the 14th Septr 1906, a counter-petition was addressed by the Villagers of Mugalavalli protesting against the grant of such a License. The petitions were referred To the Amildar who enquired into the matter and submitted the records with his opinion The Amildar observes in his report

dated 22 October 1906, that no evidence was advanced by the counter-petitioners respecting the genuineness of the Sanad relied on by the matt, that the insignia claimed are ordinary ones and that there was no objection to the Swamy going in procession in King's High Road with these insignia. The then Dy Commr granted an endorsement to both the petitioners to the effect that the license applies for would be granted to the Swamy if an application should be made after the subsidence of plague.

On the Review-petition of the Villagers of Nugahadalli for a re-consideration of the above order, the then Dy. Commr Mr Kumaraswamy Naik adjourned the hearing of the case more than once, but the Kalkere matt did not appear. In his order dt 11th August 1907, he observes that the Mump on which the Swamy is supposed to rely is so old as the year 1825. that the Swamy has apparently not produced any license for having started in procession in any of the
